

# **Africa Tanks**

- Africa Tanks is proud of the products that it makes. These tanks are made from High Density PE (HDPE) and it has a UV additive to ensure that the tank will keep its colour for a long time. Africa Tanks warrants that in normal upright applications the tank will have full integrity of retention for the specified liquids, for a period of 8 years.
- The warranty does not apply in the following instances:
- Any damage sustained to the tank during handling, storage or erection of the tank or subsequent modification.
- Reaction or soiling of the tanks from chemical agents not compatible with polyethylene.
- Damage, failure or leakage caused by a result of any broken, loose or defective connection to the tanks.
- Iron/metal fittings on the tanks as connections
- Attachments, alterations of the structure or walls of the tanks including welding and use of adhesives
- Usage of tanks for purpose not intended to.
- Repair work done not by authorised personnel.
- The lids and roof section of tanks are not intended to carry weight or human movement. Liquid contents exceeding 40° Celsius.
- All vertical tanks are intended for stationary use only.
- This warranty is subject to the correct installation of the tank, which includes the following:
  - Correct use of connections (no steel/iron connectors)
  - No steel pipes/fittings (it is recommended to use flexible pipes between tank and fixed pipes)
  - Do not use unsupported connections (pipes, etc.) attached to the tank causing the tank to be under stress.
  - No vibrating connections
  - The provision of a level, smooth and robust base for the tank, in case of beam support not further than 5 cm apart.
  - No overhang of the tank wall over the base allowed.
  - The filling rate should not exceed the over flow rate.
  - The tanks are intended for stationary use.
  - Liability in terms of this guarantee shall be limited to claims that arise from loss of integrity of the product. Liability for other losses and / or subsequent damages suffered is excluded.
  - All claims for replacement tanks or damages must be submitted during and up to the expiry date of the guarantee period. Proof of date of purchase is necessary.
  - A PRO RATA PAYMENT FOR PERIOD OF USE MAY BE EXPECTED IN CASE OF REPLACEMENT, calculated on a formula that the buyer will be paying 12.5% of the replacement tank's value for each year's of use. Example: Tank is used for 2 years – 25% (2 x 12,5%) payable for new tank by purchaser – 75% subsidized by Africa Tanks.
  - The warranty is on workmanship only. We have no control over the chemistry of the plastic, which we use in good faith.
  - Limited Edition Tanks is not color specific
  - Africa Tanks does not accept responsibility for structural costs in case of repairs or replacements.
  - This is the exclusive warranty given by us and no other warranty.
